

Application form for admission to the Doctoral School of Physics

**Any incomplete application will not be considered by the commission (for non-French Master degrees)
The complete application must be submitted as a single PDF document to
ed-phys@univ-grenoble-alpes.fr**

SURNAME, first name :

**Form to be completed by the prospective thesis supervisor and the candidate.
You MUST attach the following documents to this application form,
in the order listed below :**

- Completed application form
- Curriculum vitae
- Summary of the thesis proposal (you can simply use the presentation you responded to; you do not need to write a summary yourself)
- Photocopies of university degrees (or certificates confirming final successful completion), as well as undergraduate and postgraduate transcripts, **with translations if they are not in French or English**
- Proof of funding (specifying the duration and amount of the funding)
- Anti-plagiarism policy (to be printed from ADUM)
- Training agreement and PhD charter signed (to be printed from ADUM; signed by everyone except the director of the PHYS doctoral school)
- Summary or copy of the Master's thesis (even if it is confidential)
- Copies of extracts from selected publications (optional)

In the case of non-French degrees :

If the candidate does not hold a French M2 degree or a French engineering degree, their application will be examined by the Doctoral Commission for Exemptions and Waivers (CD3) for a degree equivalence assessment. This committee meets monthly (see dates on the ED PHYS website) and the complete application must be submitted to the ED no later than 10 days before the equivalence Commission meeting.

Thesis supervision:

- In accordance with the decree of 25 May 2016, the thesis supervisor must hold an HDR qualification or an equivalent qualification. He or she must be affiliated with the ED PHYS. A thesis supervisor may not exceed a supervision rate of 300% and a maximum of five supervised PhD students.

- A supervisory team (supervisor, co-supervisor, co-supervisor) may not consist of more than two people (with the exception of PhDs carried out under a joint supervision arrangement, a CIFRE agreement, or spanning two laboratories).
